MODALITY: Course modality describes the method(s) in which class content is delivered. The modalities can be described generally as:

Traditional: Courses meet in class based on scheduled times and course content and activities are delivered in the classroom setting.

Web-Enhanced: Courses meet in class based on scheduled times. Course content and activities are generally conducted in the classroom, but certain activities and/or additional course content may be delivered/conducted using the Moodle course management system.

Hybrid: Courses meet both online and in class according to a described schedule. Content and assignments are conducted in both modalities.

Online: Courses are conducted entirely online through the Moodle course management system. All activities are conducted electronically.

There is a mandatory make-up session for Monday night classes in the Winter quarter. Make-up sessions will be held on Friday, February 10. Please confirm the date and room assignment with your instructor at the beginning of the quarter.

* Can be used as a Social Science Elective
