B. Parent(s) Marital Status

What was your parent(s) marital status as of the day you filed your 2017-18 FAFSA?

- Married or Remarried – Date: MM/YYYY: ____/____/____** Consistent with the Supreme Court decision holding Section 3 of the Defense of Marriage Act (DOMA) unconstitutional, same-sex couples must report their marital status as married if they were legally married in a state or other jurisdiction (foreign country) that permits same-sex marriage, without regard to where the couple resides. If your legal parents are separated but living together, select "Married or remarried," not "Divorced or separated."
- Never Married** - If your parent was never married and does not live with your other legal parent.
- Divorced or Separated – Date: MM/YYYY: ____/____/____** If your parents are divorced or separated, provide information about the parent you lived with more during the past 12 months. (If you did not live with one parent more than the other, give answers about the parent who provided more financial support during the past 12 months or during the most recent year you actually received support from a parent.) If this parent is remarried as of the day you filed your FAFSA, select "Married or remarried".
- Widowed – Date: MM/YYYY: ____/____/____**
- Unmarried and both parents living together – Date: MM/YYYY: ____/____/____** If your legal parents (biological and/or adoptive) are not married to each other and **live together** or divorced but living together, check "Unmarried and both parents living together" and provide information about both of them regardless of their gender. Do not include any person who is not married to your parent and who is not a legal or biological parent.
