

2017 – 2018 CONFLICTING INFORMATION COMMENT CODE 399 REQUEST FORM

Due to the new change with the Free Application for Federal Student Aid, both the 2016/2017 and 2017/2018 FAFSA, are using the 2015 tax and income information. The information you provided on your 2017/18 FAFSA does not match the information previously provided on your 2016/17 FAFSA. This is considered to be conflicting information by the Department of Education and must be resolved. In order to clarify and determine the correct information, the Humphreys University Financial Aid Office must compare your FAFSAs with the information on this worksheet along with any other required documentation. If there are differences, your FAFSA information may need to be corrected. The Humphreys University Financial Aid Office may ask for additional information.

Note: Until the conflicting information is resolved, the Humphreys University Financial Aid Office is unable to disburse any remaining 2016/17 or 2017/18 scheduled Title IV Federal Aid.
