

2026-2027 PROFESSIONAL JUDGMENT FORM

Student Name: _____ Student ID: _____

Indicate the reason for requesting professional judgment consideration. You must document the reason for your appeal and submit non-returnable copies of your documentation to the Financial Aid Office. Requests submitted without documentation will not be considered.

The FAFSA Simplification Act helped to distinguish between different categories of professional judgments:

- Special Circumstances refer to the financial situations (loss of a job, etc.) that justify an aid administrator adjusting data elements in the COA or in the SAI calculation.
- Unusual Circumstances refer to the conditions that justify an aid administrator making an adjustment to a student’s dependency status based on a unique situation (e.g., human trafficking, refugee or asylee status, parental abandonment, incarceration), more commonly referred to as a dependency override.

Please complete, sign, and submit this form with a letter of explanation and the required documentation to the Financial Aid Office. See Required Documentation Below:

Please allow 1-2 weeks for our response. Please note that all decisions are final. All students submitting a Professional Judgment request must complete the FAFSA, and verification process (if selected) by submitting all required verification papers along with copies of 2024 Federal tax return and W-2 information. Additional documentation may be requested.
