Master of Arts in Education

REQUIRED UNITS – 44

2019-2020 Catalog

The Master of Arts in Education program is designed to provide educators with the knowledge and skills necessary to advance as leaders and practitioners in their organizations. While the core requirements focus on theoretical approaches and practical research, the elective units allow students to choose a set of courses that match their own interests.

26 Core Units

- EDUC 301 Research Methods, 4 units
- EDUC 303 Curriculum Design and Evaluation, 4 units
- EDUC 305 History of American Education, 4 units
