### MODALITY:

Course modality describes the method(s) in which class content is delivered. The modalities can be described generally as:  
**Web-Assisted:** Courses meet in class based on scheduled times. Course content and activities are generally conducted in the classroom, but certain activities and/or additional course content may be delivered/conducted using the Moodle course management system.  
**Hybrid:** Courses meet both online and in class according to a described schedule. Content and assignments are conducted in both modalities.  
**Online:** Courses are conducted entirely online through the Moodle system. All activities are conducted electronically.
